

# RAMAPO COLLEGE ROADRUNNERS

A Commitment to Academic Excellence, a Winning Hockey Tradition

[www.ramapoicehockey.com](http://www.ramapoicehockey.com)

The Ramapo College Ice Hockey Club is excited to be starting its third season. The 2016-17 ended with an incredible record of 26-1 and a Metropolitan Collegiate Hockey Conference Championship. An exceptional accomplishment for just a two-year old team. We will be competing against various colleges and universities across the East coast in the 2017-18 campaign.

We have an exciting year planned with an ambitious 28 game schedule and we are asking for tax deductible donations to help offset our general expenses. As you can imagine with the cost of ice rentals, travel, and equipment we have a high overhead for a non-varsity sport. To keep the team progressing each season requires a significant budget that cannot be met by student dues alone, and although much of this budget is derived from member dues, we try to keep the dues down in order to allow more members to participate. We depend on businesses as well as individuals in the community to support our team in order for us to continue.

The team and I are attempting to raise some much-needed funds to help us train and compete against other colleges and universities within our region. Our goal is to acquire sufficient funds from donations to strengthen the foundation of our team and to ensure the future success of the program. We graciously accept any assistance you can offer, and we thank you in advance for your support for our team and Ramapo College.

**Double the value of your donation!** You or your spouse may work for a company that has a *Matching Funds Program*. Check with your Human Resources Department and tell them you have donated to the non-profit Ramapo College Ice Hockey Club.

At the bottom of this letter, you will find a donation form and contact information. Thank you for your consideration. Your help makes it possible for us to continue the wonderful tradition of ice hockey at Ramapo College.

Sincerely,

Laurie Rose, Booster Club President
