

Ramapo College Ice Hockey Club Sponsorship

When you sponsor the Ramapo College Ice Hockey Club you have a unique opportunity to reach a local, regional, and national audience whose demographic ranges in age from 18-50+. And, you help us strengthen the foundation and ensure the future success of our program.

Although we run our team like a varsity program, as a club team, we do not receive varsity program funding. While we have generated significant income through team dues, generous alumni contributions, and the work of our active booster club, we also have significant expenses. With ice rentals, travel, and equipment, we have an unusually high overhead for a non-varsity sport.

Your tax deductible sponsorship not only helps our team meet these expenses, but also connects your business to our players, fans, families, and alumni. We encourage everyone associated with Ramapo College Ice Hockey to support the businesses that support us!

We look forward to working with you and making you part of our team!

About our Team

The Ramapo College Ice Hockey Club is excited to be starting its third season. The 2016-17 ended with an incredible record of 26-1 and a Metropolitan Collegiate Hockey Conference Championship. An exceptional accomplishment for just a two-year old team. We will be competing against various colleges and universities across the East coast in the 2017-18 campaign.

Our supporters and fans include students and their families, faculty and staff, and alumni around the country.

The loyalty and enthusiasm of our hockey community is apparent in the participation at our annual Alumni Game. More than 30 years after playing their last official game in 1984, players return each year for the game from as far as California, Florida, and Colorado.

As we begin our second season, we continue our proud tradition of athletic and academic excellence, sportsmanship, and team and school spirit.
